**NOTICE OF UPDATE TO REPORT OF FACILITY AMENDMENT FOR  
SUN VALLEY PAPER STOCK MRF & TRANSFER STATION  
SWIS No. 19-AR-1227  
October 23, 2023**

**Description of Project and LEA's Determination**

The Sun Valley Paper Stock MRF & Transfer Station is an approximately 4.13 -acre transfer station located at 8701 San Fernando Road, Sun Valley, CA 91352.

On September 23, 2023, the LEA received an application to amend the transfer processing report from Sun Valley Paper Stock MRF & Transfer Station to updated changes at the transfer station and to update new Senate Bill 1383 and contact information.

The LEA finds that the proposed change is exempt from CEQA because the project will not have a significant effect on the environment, is consistent with State Minimum Standards, and does not conflict with the terms and conditions in the current solid waste facilities permit. Therefore, the LEA has accepted the Report of Facility Information amendments on October 23, 2023 to the Sun Valley Paper Stock MRF & Transfer Station to continue operating the large volume transfer station.
