

LATEST BILLBOARD INFORMATION AS RECORDED BY THE CODE ENFORCEMENT BUREAU AS OF 05/17/2016.

General Notes:
 Not all sign locations have an address. Parcel Identification Numbers (PINs: Column H) have been provided for all cases.
 Columns B thru H provide location information.
 Columns I thru Q provide survey results.
 Column I provides the sign type i.e. POLE, WALL, ROOF
 Column J is a label given to the number of faces on a billboard, i.e., a wall sign would have only one face so the one face would be called face 'A'. A pole sign may have two faces: Face 'A' and face 'B'.
 Column K is the configuration of the faces
 Column L indicates alterations. A "Y" indicates a permitted sign structure, but no permit was found for the alteration(s).
 Column M is any posted Sign Company.
 Column N is the height from grade.
 Column O is the width of the sign.
 Column P is the length of the sign.
 Column Q is any posted Sign Company ID.
 Columns R thru S provide Permit Information.
 Column R is the permit number. The first 2 or 4 digits usually provide the permit application year. Permit # 51PW31991 was issued in 1951. Permit # 1980LA95762 was applied for in 1980.
 Columns T thru U provide LADBS Findings.
 Column T indicates a permitted billboard or an unpermitted billboard.
 Column U are remarks.
