For the Superintendent of Building or his designated agent to approve a request for modification or a request for alternate material or method of construction he must determine that special, individual reasons exist that make compliance with the strict letter of the ordinance impractical and that equivalency is provided for request s applicable to the State Housing Law. The resulting condition must be in conformance with the spirit and purpose of the ordinance involved. The applicant must provide sufficient information within this application to allow the above evaluation to be made.

Appeal from the determination or action of the Superintendent of Building or his designated agency may be made to the Board of Building and Safety Commissioners. To appeal, the appellant must give special individual reasons that make compliance with the strict letter of the ordinance impractical. Appeals pertaining to State Housing Law provisions require complete evidence to substantiate that the proposed design, material, or method of construction is at least equivalent to that prescribed by the Code. State such reasons or evidence on the front of this form or on a separate attachment.

Conditions of Approval:

1. Substantial evidence shall be submitted that a good faith effort is being made to eliminate the need for the coaches. A building permit for the temporary use of such coaches shall be obtained. A floor plan of the coach shall be submitted to the building department for review and approval to verify compliance with all occupancy regulations in the municipal code.

2. Separate electrical and plumbing permits shall be obtained for utility connections.

3. All required permits shall be obtained prior to placing the coach on the site.

4. Coaches shall be approved by the State of California Department of Housing and Community Development for Use, and the official seal of approval shall be affixed to the coaches.

5. The coaches should be fully accessible to persons with disabilities. If toilets are not provided within the coach, accessible toilet facilities shall be provided on site for the occupants of the coaches.

6. The use of the coaches shall be in accordance with the Los Angeles City Zoning Code.

7. Coaches shall be located not less than ten feet from any property line or any other buildings or structure on the site. (Plot Plan is required).

8. A clearance shall be obtained from the Department of Public Works for sewer facilities charges.

9. Written concurrence shall be obtained from the Fire Department for any A, E, or I occupancies and for the access around the Coach.

10. For coaches used for food establishments, written concurrence shall be obtained from the Los Angeles County Health Department.

11. Tie-down anchors designed by a licensed civil or structural engineer shall be installed to resist overturning by wind or seismic forces.
   a. Plans for the installation of the anchors shall be provided or a State approved system shall be used.
